What is Friends of Rotary?

“Friends of Rotary” is a program that invites individuals to team up with Rotary for a year, two years or forever! Becoming a **Friend of Rotary** allows those who share our ideals and objectives to participate in our activities without the responsibility (or the benefit) of a full membership, but it does allow contribution to the community and to our events as you are available. As a matter of fact there are many people who would qualify for membership but simply do not have sufficient time or ability through work to attend our breakfast meetings.

Being a **Friend of Rotary** allows you to help in local fund raising by participating in club events or by making annual donations. Some club events are not specifically for fund raising but for socializing – Rotarians call this fellowship, an opportunity to enjoy activities and each others company, catch up with old friends and make or develop new ones.

Benefits of Friends of Rotary

- Supporting Rotary service projects helps the community that many of your companies do business in.
- Aids community agencies, educational scholarships, and international projects.
- A way for those who can not make weekly Rotary meetings to feel involved in the effort to provide for the community.
- Can be a stepping stone for someone who wants to invest in the community but does not know a lot about Rotary.
- Can lead to full time Rotary Membership if desired.

Requirements of Friends of Rotary

- Attend at least 6 fundraisers or meetings a year. Use your 6 free breakfast coupons for the meetings or have someone come on your behalf.
- Offer referrals to the club for potential new members of Friends of Rotary or full fledged Rotarians.
- Help out if able to at local fundraisers or events.
- Offer new ideas to the club for things we could improve or do better.
- **Most Importantly Have Fun.**

Please note that as a Friend of Rotary you would not be able to be on attend district conferences, become a board member or become an elected official of the club.
